

SUSAN BUCK

Dr Susan Buck is a facilitator for GP STEP.

She is an Associate Adviser for GP Postgraduate Education, based in Southeast Scotland. She also works as a GP, GP Appraiser and Assessor for PLAB. Dr Bucks's work focuses on performance support within her NES role, especially support for success in the AKT and the Additional Skills Programme. In addition, she has an interest in child health and wellbeing and organises study sessions in paediatrics for GP trainees.

She adds to the presentation with information about support available for GP trainees and the importance of seeking help positively in times of uncertainty or difficulty.
