13 & 14 March 2023

John McIntyre Conference  
Centre, Edinburgh

**Registration fee = £200**

*CPD Accreditation from Royal  
College of Physicians*

Book online:

<https://edin.ac/3C4vPj7>

The 9th Edinburgh Clinical Research Methodology Course is a two-day course providing a comprehensive overview of the methods and frameworks currently required to perform cutting-edge clinical research.

The course will consist of interactive lectures and opportunities for delegates to network with distinguished researchers, all of whom are recognised experts in their field.

Aimed at practitioners at all levels from all disciplines (medical, allied health professionals, nursing and midwifery staff and scientists) who have an interest in or are actively engaged in clinical research.

**#ECRMC23**
