Administrator tries to create a new ARCP Form for the trainee where the review panel is set for 13 December 2023 and is unable to do so:

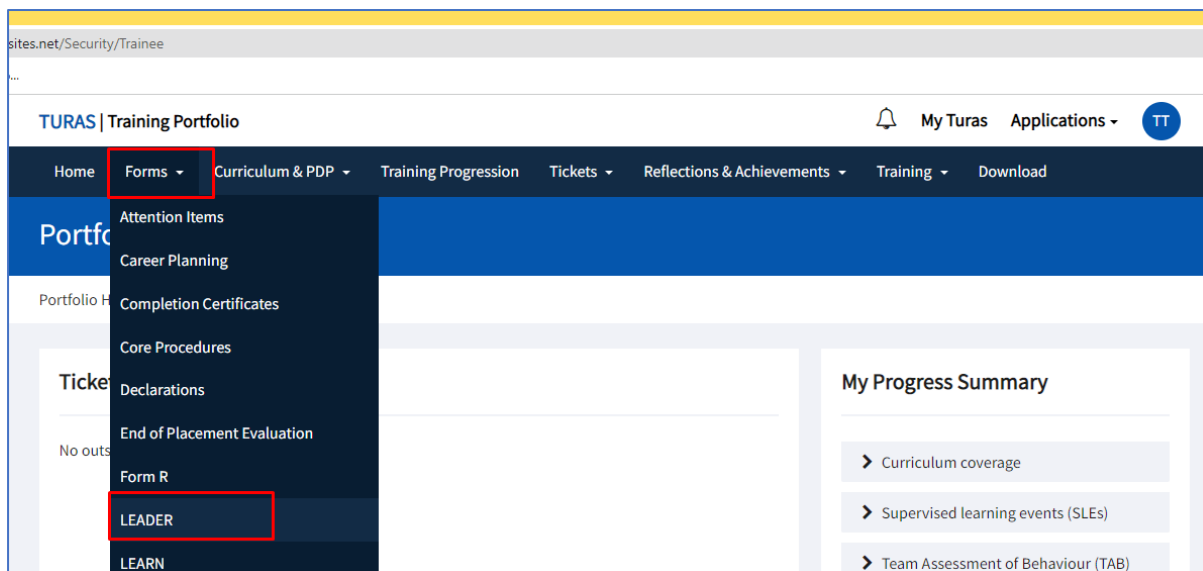

- **Medical Foundation – BUG: Error linking LEADER form via curriculum page**

Medical Foundation trainees were not able to link a LEADER form via the curriculum page as they were getting an unexpected error. They could only link via the form itself.

Trainees are now able to link LEADER forms via the curriculum or form itself without issue.

Trainee accesses 'Forms' > 'LEADER'
